WELCOME TO THE CHICAGO SPEAKEASY...

It's jazz, Gangsters and razzmatazz!

For a night to remember come on a nostalgic trip back to roaring 20's Chicago.

On arrival at 'Capone's speakeasy' you are greeted by the style and décor of this fabulous era.

The entrance to Capone's is themed with red carpet, chrome poles with red ropes and Art Deco flame lights.

In the main function room dining tables are draped with black tablecloths, the table centrepieces feature gangster hats, feather boas, ostrich and peacock feathers topped with a cluster of black & white balloons. Ladies and gentlemen table gifts can include guns and 1920's Charleston style headbands.

During dinner a sound system will play background music featuring ragtime jazz and after coffee why not sit back and enjoy the sounds of a jazz band with a Charleston dance display.

The realistic room theme décor consists of 6'x4' back lit film spool frames featuring black & white images of actors & actresses from the era, 2 x 7' Oscar statues, art deco style balustrade and large skyscraper images.

Choices of entertainment can include:

A casino with American Roulette, Blackjack, Poker and a Las Vegas style Wheel of Fortune. (Includes croupiers, casino manager and personalised fun money).
