

# MURDER MYSTERY

## Themed Night

### Evidence

Our 'Murder Mystery' events are renowned for their high professional standards, attention to detail and their superb entertainment value. Plots can be tailor-made to meet the size of venue and the clients' requirements.

#### Team-building Murder event:

This event is perfect for conference and training courses, being both fun yet stimulating. Teams are called to a meeting or seminar and a death will occur. The teams then carry out their investigations, visiting the scene of the crime and examining the victim and his / her possessions to identify the murderer and the motive within a set period of time.

#### Themed dinner:

Victorian, 1920's Gangster, Edwardian, War-time, 60's, Oscar Night, French, are just some of the themed options. Guests will be introduced to our team of actors 'in character/ costume' at drinks reception, they will then join the party for dinner usually seated at a table in the centre of the dining area. Eyes and ears need to be kept open, there may be a knowing wink, sly whispers, an argument or the revelation of some past intrigue- feel free to question them. The murderer will finally strike! The guests can then view the body or bodies, examine possessions and quiz suspects at an organised questions and answers period after coffee. The table, which identifies the killer and the motive, are the winning team.

At an additional cost the room can be themed with items from our props department, e.g. 1920's, Oscars night etc.

#### Your evening can include

- Casino tables (Roulette, Blackjack, Poker, Wheel of Fortune.)
- Themed band
- Themed room and tables
- Atmospheric lighting
- Artificial Plants, Artificial flame lights
- Disco to finish the evening
