SCALEXTRIC

Slot Car Racing

Giant Scalextric Racing.

For the ultimate in team building, corporate fun nights, why not try out our giant scalextric racing track?

This is a 16ft by 8ft 4 lane slot racing track.

The night will include 2 staff/marshals to supervise the event, room themed items include a selection of free standing chequered flags on poles, a skirt to go around the legs of the track which carries the scalextric logo, and flood lighting which adds atmosphere to the event.

A quality sound system playing music, and running commentary on the races from our very own sports commentator. A large selection of cars to choose from including Jaguar, VW, Mitsubishi, Opal, and Ford also the new Aston Martin Vantage (Bond).

Race heats and time trials are organised by the Prime Entertainment staff.
